 ANNOUNCEMENTS.

We are authorized to announce Lee R. Penn as a candidate for Magistrate from Clintonville precinct, subject to the action of the Democratic primary, November 18.
 Beginning of the "Fair Primary."

On Saturday, a good illustration of the "fair primary," the henchmen of certain candidates have been clamoring for, was given in No. 6 precinct in Paris. At the last registration 842 Democrats were registered, a large Democratic gain. Among those registered as Democrats were about 48 negroes and God only knows how many white Republicans--registered as Democrats for the sole purpose to vote in the coming primary. The first of the dirty work we are to expect in that primary was done in the election of a Democratic Committeeman in No. 6 Saturday afternoon. Mr. J. H. Haggard, a Clarke man, and Mr. Claude Redmon, a Hibler man, were the two candidates for committeemen. Mr. Haggard received 16 white votes, and Mr. Redmon 14 white votes, 5 negroes and 1 white Republican. The white Republican, J. K. Cahill, was the Republican officer in the No. 6 booth on registration day. He furthermore admitted to us that he was a Republican and only registered as a Democrat so as to take part in the coming primary. Are the Democrats of Bourbon county to have negroes to elect their committeemen and to name their nominees for them. The Democratic party is the white man's party--we can win without this negro vote in our primaries and it is time for the people to call a halt on these ward healers of our city.

When someone objected to these five negroes voting Saturday, Mr. "Coke" Welsh came to their rescue and said he knew they were entitled to vote as he had registered them as Democrats. If these political tricksters desire to belong to a party where the negro vote selects the nominee let them join the Bill Owens aggregation and they can then sing with him, "If you lak-a-me, lak I lak-a-you, we each in the same-a-boat, "I lak-a-say, on 'lection day, I lak-a-get your vote."

The Democratic party is the white man's party and are the Democrats of Bourbon county to have their primaries controlled by this boodle gang that have already so plainly shown their hands. A "fair primary" is the thing that these people do not want as every move they have made up to this time proves conclusively. The Democrats of Bourbon county should rise in their might and say to these oily tongued gentlemen that our party shall remain the white man's party in this county.

FREEMAN & FREEMAN.
 The East Tennessee Telephone Company.

Among the business enterprises of our city, none has been more successful or won a better name for careful and meritorious service than the branch of the East Tennessee Telephone system located in our city. In another column you can see the long list of new subscribers and the adding of new names to the list is but a daily occurrence in the Paris office. This goes to show the far reaching demand for its use, the natural result of true merit. It also reflects upon the management of this company in this county. Mr. J. J. Veatch, the popular local manager, has won golden opinions from our citizens in his endeavors to give the people the best possible service. He understands his business and attends to it from early in the morning to late at night. Our people cannot ask for better service than he is giving them now. His long distance connections work to perfection. The East Tennessee Company has a large and capable force of "hello girls," who are "the power behind the throne," and they bend all their energies to the accommodation of the subscribers. They are now putting in an exchange at Ruddles Mills and when this is completed the East Tennessee will have over 1,000 subscribers in Bourbon county. The copy for the new directory will go to the printer November 1st, and to be up with the times you should hand in your name at once and get it in the new directory. For enterprise and general worth, the East Tennessee Telephone System stands way up in G, and if you want your money's worth subscribe for the East Tennessee Telephone.

Withdrawal Card.
 Owing to my extensive insurance business, I can not find time to make a thorough canvass of Bourbon county in my race for Representative, and now take this opportunity to withdraw from the race. I thank the many kind friends who have spoken words of encouragement to me and who were willing to aid me in my young ambitious political struggle. I now offer my services again, as I have always done in the past, to that same old Democratic flag with recognized war-cries inscribed thereon, battling for the elevation of the laboring classes of America.
 T. PORTER SMITH.
 P. S.--Owing to the incompletion of the court-house, it will be necessary for me to devote a great deal of my time to assisting Judge Smith in getting a top on same.
 T. P. S.

In this issue will be found the announcement of Mr. Lee R. Penn as a candidate for Magistrate in the Clintonville precinct, subject to the action of the Democratic party. Mr. Penn is a loyal Democrat and possesses all the qualifications to fill the office he aspires to. If elected he will make the county an efficient officer.

Remains in City Limits.

At Georgetown in the Circuit Court Judge Sauffley rendered a decision in the case of the city of Georgetown to strike off a certain portion of the town called "Boston" a negro settlement, refusing to grant the petition. He said that under the testimony introduced, he did not think it would hurt the city to allow this territory to remain in the city, but to cut it off would injure that part cut off very much. We differ with the Judge--to make any city Republican hurts it.
